the itch. Incite insight, to breathe the touch, like children of the cherubim trophy. Heaven as oris the whole tirade of birds' orality, sworn in the gypsy hour of an ancient sky, those who are free can masque an archaic fire, stimulated by a thirst to arrive at the possible. No value in a book if a man is only implicit, emitted in that he forged the dream while yowling monkshood heliotaxis, value which crimps the grip agrarian necklace, other wicket devils magnetized by opulence and color, narthex meaning thought, heat lightning reflected off the bottom of the horizon, the boundary of the aphorism, but at the last narrative moment lolled in the dead language of the horses, anthems dazzling in the mythic homestead, an individual symphony of the fingers. To be the ferrous ostensorium, heliopsis perennial in wafered sunlight, eerily the same symbol of reality, jewel flowers in the emptiness, are equally thermic mutagens, equivalent to the carnal wheat. Rubefacient terror of the hand. Death rhetoric. With the archaic, with links to the resources in the transmissions of epic and in the

Having brought the grief into this wonder, which is a kind of music or seed of doubt. So, when the sleepless death detaches the wings from the weary sulcus, that which carries the hearts of men by the clamorous dread of wings, flying thus through threads of feverish hands, doubt at the end of a received song, in the form of wings. But the mirror sleeps in infinite depths, reflected by a verbal flowering of sounds. To sail like doors, sufficiently flame. Fire withers in the glutinous limits of the notes. Corrupt vessel of verse, breath of the hadal talons, then erasure, the difference between an idyll and tedious doubt, falsehood open to the storage of our sounds. Arrayed in

A hand-drawn sketch of a building facade. The central feature is a large, arched entrance with a pediment. Above the entrance, there is a small, rectangular window. To the right of the entrance, there is a large, rectangular window. The drawing is done in a simple, sketchy style with lines and shading.
